EMT-Basic

2022

Emergency Medical Technician Basic Course

Information

The class will begin July 12th, 2022 and run through December 20th, 2022. Classes will be held on Tuesday and Thursday evenings from 6pm to 10pm with one Saturday afternoon per month for skills.

This program will be instructed by Professional Paramedics and EMT-Basics that are experts in the field with vast clinical experiences.

We offer a learning environment where all types of students can excel.

Whether fresh out of high school looking for a career or an adult looking for a career change we look forward to seeing you in our training program.

In this packet you will find some information to read and forms to fill out. The first page describes the requirements of the course. Second is a page of class rules and expectations.

Third is an enrollment sheet with information required for your student record. Please read this information carefully.

When forms are completed return them to Kearney Fire & Rescue Protection District.

You may return by mail to P.O. Box 341, Kearney, MO 64060, bring them to the station at 201 E. 6th Street in Kearney, or via email to bkiping@kearneyfire.org

Course tuition is \$1,200 including all books with additional fees that will be required for taking the National Registry Test. There is a minimum \$350 deposit due to start class. Please pay this as soon as possible to reserve your seat. The balance may be paid in monthly installments at the first of each month August to November and must be paid in full to be released to test.

WHAT IS EMERGENCY MEDICAL TECHNICAN BASIC

What is an EMT? EMT's are the backbone of the Emergency Medical Services in the United States of America. This program will provide you with the knowledge and Skills required for stabilizing and treating patients in emergency situations. EMT-B consists of basic life support, patient assessment, patient care and instruction on how to utilize and maintain the equipment that is used during work as an EMT.

HOW DOES THE CLASS WORK?

This class will combine lecture and practical skills. The lecture 41 chapters from AAOS 12th edition Emergency Care and Transport of the Sick and Injured EMT text book and will require the mastery of 10 National Registry skills. During supervised clinical rotations you will learn in a real life setting of the Emergency Room and Ambulance. After successful completion of this program you will be able to sit for the National Registry of Emergency Medical Technician Practical and written test.

CERTIFICATION REQUIREMENTS

Must be 18 years of age to take the National Registry Test.

Possess a valid Missouri Driver License or valid state or federal identification.

The Candidate must be able to pass a drug screen and a criminal background check.

The Candidate must complete National Registry Testing within two years of the completion of the program.

KEARNEY FIRE & RESCUE EMERGENCY MEDICAL TECHNICAN BASIC
