

FIREFIGHTER I & II

**THE KEARNEY FIRE AND RESCUE
PROTECTION DISTRICT WILL HOST A
FIREFIGHTER I & II COURSE STARTING
JANUARY 4, 2022
ESTIMATED COMPLETION JULY 2, 2022**

**Location:
Kearney Fire Station 1**

The course will be held Tuesday & Thursday evenings from 6-10 and generally every other Saturday at 8:00AM. There will be exceptions, please see www.kearneyfire.org for more info.

This course will satisfy the requirements to take the Missouri Division of Fire Safety Firefighter I & II tests. Curriculum will be taught to the NFPA 1001-2018 standard.

Students will be provided all necessary books including the IFSTA Essentials of Fire Fighting 7th edition.

Students must be equipped with NFPA compliant turnout gear. If you do not have gear, there will be an extra fee of \$150 for gear rental.

HAZMAT Awareness and HAZMAT Operations will be included in this course.

Cost \$ 1500.00

Payment plans are available.

KEARNEY FIRE & RESCUE FIREFIGHTER I & II REGISTRATION PACKET

Dear prospective student

Thank you for your interest in our program. The class will begin the first Tuesday in January and is estimated to be completed early July. The classes are every Tuesday and Thursday evening and generally every other Saturday. Saturday classes will begin the first week. Please understand it will be necessary to add or change some Saturdays, or attend a couple of Friday evenings and Sundays to accomplish all the requirements of the course and accommodate holiday weekends, weather days, etc. We will give as much notice of these variations as possible.

This program is taught by professional firefighters who are certified Fire Service Instructors through the Missouri Division of Fire Safety. Many of our instructors hold many other certifications such as Fire Officer, Fire Investigator, Fire Inspector, Fire Apparatus Driver/Operator and more. Some hold college degrees related to the fire service as well.

We believe we offer a learning environment where all types of students can excel. Whether you are an experienced firefighter looking to get your certifications, fresh out of high school looking for a career, or an adult looking for a career change we look forward to seeing you in our training program.

In this packet you will find some information to read and forms to fill out. The first page describes the requirements of the course. Second is a page of class rules and expectations. Third is an enrollment sheet with information required for your student record. Next is a health record form to be completed by your doctor. Please read this information carefully. When forms are completed return them to Kearney Fire & Rescue Protection District. You may return by mail to P.O. Box 341, Kearney, MO 64060 or bring them to the station at 201 E. 6th Street in Kearney.

Course tuition is \$1500 including all books. Turnout gear rental is \$150. There is a minimum \$400 deposit due to start class. Please pay this as soon as possible to reserve your seat. The balance may be paid in monthly installments at the end of each month January through May.

Again, thank you for your interest and we look forward to helping you on your path to becoming certified firefighters. Please do not hesitate to contact me if you have questions.

.
Captain David M. Pratt
C-Shift Commander/Lead Fire Instructor
Kearney Fire & Rescue Protection District

WHAT IS FIREFIGHTER I & II?

Firefighter 1 & 2 are the certification levels for professional firefighters in Missouri and many other states. These certifications meet National Fire Protection Association 1001-2018 edition *Standards for Fire Fighter Professional Qualifications*. These certifications are also accredited by the International Fire Service Accreditation Congress and ProBoard, which allows for reciprocity with other accredited states. This course is designed to meet the training requirements of the Missouri Division of Fire Safety and to prepare you for certification examination.

HOW DOES THE CLASS WORK?

The class is a combination of lecture and practical skill evolutions. There are 23 chapters. Each chapter has a written quiz which must be passed. Most of the chapters also have skills which must be properly demonstrated. Upon completion of the curriculum there will be a written end of course of exam. Students who pass this exam will proceed to a test of practical skills conducted at our location. There is also a written certification exam from the Division of Fire Safety for each level which must be completed offsite. The Lead Instructor will help schedule you for the next available regional exam or give you the information to make an appointment at the Division of Fire Safety in Jefferson City.

CERTIFICATION REQUIREMENTS

General requirements

High School diploma or verification of acceptance into a higher level of education
Must be a Missouri resident or employed by a Missouri Fire Department
Possess a valid Missouri Driver License or valid state or federal identification
Must be 18 years of age
Meet medical and physical fitness requirements to perform firefighting tasks (see below)
Successfully complete Firefighter I & II training program

Training/prerequisite requirements

NIMS - National Fire Academy IS-700, -100 and -200 certifications are required for Firefighter certification. You must complete the IS-700 free online course prior to entering this program or during the first week of class as homework. Course at link <https://training.fema.gov/emi.aspx> While IS 100 & 200 are also available online we will be offering those classes in person as part of our curriculum.

Medical training - Licensed EMT-Basic or higher will not need to complete any further training. If you are not a licensed EMT you will need CPR-AED and First Aid cards. We offer CPR the first Wednesday of each month and First Aid the second Wednesday of each month. These courses are available to you if you need them.

Hazardous Materials training - You must certify to Hazardous Materials Awareness & Operations levels prior to being approved to take the Division of Fire Safety Firefighter 1 & 2 written certification exams. These classes are included in our curriculum and the certification exams are conducted in the same fashion as the Firefighter I & II exams. You have one year from the end of each class to pass the written certification exams.

Please include documentation of required items with your application.

Medical and Physical Fitness Requirements

You must have the health record form completed by your doctor prior to start of class.
If you are a member of a fire department you may have your fire chief sign a statement in lieu of a doctor completing the health record form. Contact the Instructor for this form.

Background Check

Must meet the background investigation and character traits requirement as reference established by the local authority having jurisdiction.
